

10th Annual Smoky Mountain Weekend

Presented by
The Sevier County Fire Chiefs' Association
&
The Sevier County Training Officers' Association

Date: Saturday, March 1, 2008 & Sunday, March 2, 2008

Time: Saturday- Registration 7:00 a.m.-7:45 a.m.
Classes 8:00 a.m.-5:00 p.m.
Sunday- Classes 8:00 a.m.-4:00 p.m.

Location(s): Sevier County High School, Sevierville TN
And other locations as needed due to class demands.

Registration forms and class titles are enclosed. Please pay close attention to the registration form. **Registration forms received without four class choices for each student will not be processed and will be returned to the department to be completed. The registration deadline is no later than January 18, 2008.** The number of students is limited in some of the classes, so register as soon as possible (First Come-First Served Basis). This year's Smoky Mountain Weekend also features some specialty classes. These classes are listed on separate forms due to separate registration fees and/or pre-approval requirements.

Student fees must be paid in advance and must be sent in with the registration form (Specialty classes have a separate registration fee). **Make checks payable to Sevier County Fire Chiefs Association. NO REFUNDS**, though you may make student substitutions on or before class dates. Mail registration form along with payment to:

**Sevier County Fire Chiefs' Association
P. O. Box 306
Pigeon Forge, TN 37868**

If you plan to stay in the Sevierville, Pigeon Forge, or Gatlinburg area for the weekend, there are several hosting motels. Information is included in this packet.

We wish to thank the Sevier County Training Officer's Association, the Tennessee Fireman's Association and the Tennessee Fire Chief's Association, Chief Robert Key and Assistant Chief Terry Loveday with the Knoxville Fire Department, the Sevier County Utility District, Mark Bowery and Phil Ownby of VFIS, Walters State Community College and the Tennessee Propane Gas Association for helping us make this weekend possible.

We hope to see you at this rewarding training session. If you should have additional questions, please feel free to contact us by email at scfca@bellsouth.net or call our office at (865) 654-5810. Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink that reads "R. Chuck Godfrey".

R. Chuck Godfrey

President

Sevier County Fire Chiefs' Association

(COURSE SELECTIONS CONTINUED ON NEXT PAGE)

COURSE SELECTIONS FOR
SMOKY MOUNTAIN WEEKEND

March 1 & 2, 2008

Must pre-register by January 18, 2008, by mailing the complete registration form with your check made payable to: **Sevier County Fire Chiefs Association.**

Continued course offerings are as follows:

Class Identification #'s

27 Advanced Heavy Rescue

28 Basic Fire Chaplain's Academy

This 16-hour basic class fulfills the Basic Chaplain's Academy requirement for Chaplain Certification. The class covers The Emergency Service Worker Personality, Introduction to the Incident Management System, Confidentiality, Chaplain Service Protocols, Emergency Service Funerals, An Introduction to CISM, Chaplain Service Mutual Aid, Chaplain Safety, and Establishing a Support Network. This course is open to all Fire, EMS, & Rescue Chaplains. To be eligible to receive certification as a Fire Chaplain, attendees must be members of Tennessee Federation of Fire Chaplains or must complete membership prior to the conference. However, membership is not required to be able to attend this course. Chaplains must attend from 8:00 AM until 5:00 PM both days to complete the course.

29 Confined Space Awareness

30 Downed Aircraft In Your Community

31 Electrical Fundamentals for Fire Investigators

Pre-requisites: Tennessee Fire Academy's Basic Origin and Cause Investigation. This course covers basic electrical theory as outlined in NFPA 921 (2004) Chapter 8 and discusses the analysis of electrical systems and equipment.

32 Firefighter Survival: "Get Out Alive"

Pre-requisites: Students must have already completed the Tennessee Fire Academy's 86 hour Basic Fire Fighting and Live Fire Fighting Courses or Equivalent to be eligible to attend this class.

33 Heavy Rescue

34 ICS-300 Intermediate Incident Command System

35 ICS-400 Advanced Incident Command System

36 I.E.D. & WMD Awareness

37 Introduction to Basic Vehicle Rescue - 15 hrs

This class involves extreme physical activity! Students must bring their own Personal Protective Equipment. This class will be held at the Pigeon Forge Fire Department.

38 Introduction to Fire Department Pumpers – 15 hrs.

39 Low Angle Rope Rescue

This class involves extreme physical activity! Students must wear long pants, boots, and gloves.

This class will involve classroom and outside hands-on activities. Students will be taught rescue ropes/knots and will apply these techniques during this course.

40 Map & Compass Refresher / Introduction to Track Awareness

Students should be physically fit and equipped for a search and rescue field response.

Map & Compass: This hands-on workshop will enable the student to become proficient in the basic components of map and compass skills.

Introduction to Track Awareness: This course will introduce the skills of tracking-the art of following a trail of an animal or human by reading the signs left behind along their path.

41 Rope Rescue

42 SCBA Duration and SCBA Search & Rescue - 15 hrs.

This class involves extreme physical activity!

All Students Must Have Their Own SCBA, Spare Cylinder, and Firefighter Protective Clothing!

On Sunday, students will travel to a different location. Students must have transportation!

43 Vanessa K. Free & Emergency Vehicle Operations (VFIS)

(COURSE SELECTIONS CONTINUED ON NEXT PAGE)

The following classes are to be taken as grouped by course number listed below:

NO EXCEPTIONS

44 Decontamination Operations (classroom & hands-on activities) – 7.5 hrs
Methamphetamine Hazards & Mitigation Class (Delivered by TBI) – 7.5 hrs

45 Responding to Utility Emergencies – 7.5 hrs
Fire Protection Sprinklers and Standpipe Systems – 7.5 hrs
The Sprinkler and Standpipe session involves hands-on using a Training Prop! All Students must have Firefighter Protective Clothing!

46 Farm Rescue Awareness – 7.5 hrs
Trench Rescue Awareness – 7.5 hrs

47 Foam (hands-on) and Hose (rolls and loads) – 7.5 hrs
Fire Streams and LP Gas Firefighting (using live fire) – 7.5 hrs
All students must have Firefighter Protective Clothing!

48 Ventilation – 7.5 hrs
Thermal Imaging 101 – 7.5 hrs (students are encouraged to bring their departments' Thermal Imaging Camera with them, but it is not required)

Separate registration forms are included in this packet for Specialized Courses due to special registration fees being required.

Sevier County Fire Chief's Association
Presents
The 2008
Smoky Mountain Weekend

Chief Fire Officer Development Class

This Years Featured Speakers are

Fire Chief Shane Ray
Fire Chief Magazine
“Volunteer Fire Chief of the Year 2006”
“Putting Your Vision In Progress”

Retired Chief Alan Brunacini
City of Phoenix, Arizona
Presenting
“Customer Service – Delivery to the Street”
“Be Nice”

Chief Mark Wallace
City of McKinney, Texas
Author of
“Fire Department Strategic Planning
Creating Future Excellence”
Fire Engineering

This is a national caliber class only found at venues such as Fire Rescue International (FRI) and Fire Rescue Expo. Our speakers have presented their topics across the nation. The class is offered to provide Chief Fire Officers with the opportunity to attend a world class seminar without leaving Tennessee and at a reasonable price.

The class has been reviewed by the *Tennessee Commission on Fire Fighting* and **approved** for 15 hours of **Specialized Training Credit** for 2008.

Join your peers at this magnificent conference March 1 & 2, 2008 at the Conference Center at River Plantation in Sevierville, Tennessee. This will be a most rewarding weekend for the fire officers leading departments from across Tennessee.

To allow additional time to network with your peers and included in your registration fee, lunch will be provided on Saturday and Sunday at the conference center.

Join Us at SMW 2008

2008 Smoky Mountain Weekend

Chief Fire Officer Development Class

At

The Conference Center at River Plantation
1004 Parkway
Sevierville, TN 37862

The Conference Center is located at the beautiful River Plantation campground. If you would like to bring the family and come early or stay late, you can contact the campground for reservations at (865) 429-5267.

The cost to attend the Chief Officer Development Class is \$90.00, which includes lunch on both Saturday and Sunday. Your registration form and money is due by January 18, 2008. Postmarks after January 18, 2008 will fall into Late Registration status and be considered on a first-come first-serve basis. **The Cost of Late Registration is \$ 135.00.**

Registration will begin at 0700 hours on Saturday with coffee and donuts provided.

Saturday's class will begin promptly at 0800 hours and will end at 1700 hours. Sunday's class will begin at 0700 hours and will end at 1500 hours.

After calling Ginger at (865) 425-3520 or Darryl at (865) 755-5364 to obtain your **authorization code**, please send the enclosed registration form and department check or money order (no personal checks please) to:

Sevier County Fire Chiefs' Association
Chief Officer Class 08
P. O. Box 306
Pigeon Forge, TN 37868

We look forward to seeing you in March!

Fire Chief Development Program
 (This class is limited to 125 students)
 (Cost of this class is \$ 90.00)

This program will provide a relevant educational advancement for both existing and newly appointed chief officers, as well as their designated second in command in career and volunteer departments across the state. This program is designed to target new and existing chief officers that will most likely serve in a chief officer role in the future.

Saturday (March 1, 2008): Shane Ray – Fire Chief Magazine “Volunteer Fire Chief of the Year 2006”
 Retired Chief Alan Brunacini – City of Phoenix Fire Department

Sunday (March 2, 2008): Chief Mark Wallace – City of McKinney, Texas Fire Department

This program has been reviewed by the Tennessee Commission on Fire Fighting
 and **approved** for 15 hours of **Specialized Training Credit** for 2008.

The location of this class will be at the River Plantation Conference Center in Sevierville. You must call Ginger at 865-425-3520 or Darryl at 865-755-5364 to get a pre-approval authorization number and include your confirmation number on this registration form. Once you have received a confirmation number, this form along with payment must be received by the Sevier County Fire Chiefs Association within two weeks (14 days). If this form and payment is not received within two weeks (14 days) of you receiving a confirmation number, your reservation in this class will be canceled.

ADVANCED ARSON DETECTION for FIREFIGHTERS and FIRE OFFICERS
(This class is limited to 20 students)
(Limit 1 attendee per department)
(Cost of this class is \$ 65.00)

Pre-requisites: Arson Detection for the First Responder and be a fire officer responsible for determining the cause of the fire. You must call 865-654-5810 to get a pre-approval authorization number and include your confirmation number on this registration form. Once you have received a confirmation number, this form along with payment must be received by the Sevier County Fire Chiefs Association within two weeks (14 days). If this form and payment is not received within two weeks (14 days) of you receiving a confirmation number, your reservation in this class will be canceled.

Dates of this class are February 29-March 2, 2008.

Class Hours:	Friday-	Registration	6:00 p.m.
		Class	6:00 p.m.-9:00 p.m.
	Saturday-	Class	8:00 a.m.-5:00 p.m.
	Sunday-	Class	8:00 a.m.-4:00 p.m.

Class Description:

Fire officers will be able to determine the origin of the fire, and then make the proper classification of the cause and notification of the agency responsible for follow-up investigations in their area. The student will also be able to handle the investigation and scene preservation with a minimum of equipment and manpower. The course addresses the requirements listed in (*NFPA 1021, Fire Officers Professional Qualifications, 1997 ed. and NFPA 1001 Standard for Fire Fighter Professional Qualifications, 1997 ed.*)

Topics that will be discussed in this class are:

The Legal Needs of Investigations	Fire Causes
Observations of Firefighters and Civilians	Evidence
Determining the Point of Origin	Initial Interviewing
Fatal Fires	Documentation of the Scene
Courtroom Testimony	Motives of Fire Setters
Scene Investigation

Junior Firefighter and Fire Explorer Program

(This class is limited to 30 students)

(Cost of this class is \$ 30.00)

This year we are once again advertising the Junior Firefighter and Fire Explorer Program. We have held this class in the recent past with good success. This program will involve classroom and physical exertion. Students must be at least **15 years of age** to participate in this class. Students must bring their own personal protective equipment.

A letter from the students sponsoring department must also be sent with this registration form. The letter must be on the department's letterhead and include a statement releasing the Sevier County Fire Chiefs' Association and the Sevier County Board of Education from any liability. The letter must include signatures from the Fire Chief, Junior Firefighter or Explorer Program Advisor, and the students Parents.

The Fire Chief or Program Advisor must call 865-425-3520 or 865-755-5364 to get a pre-approval authorization number and include the number on this registration form.
